# Environmental Policy

Document Number: EMS\_policy

Revision: 11/13/2017

**Nucor Steel – Arkansas is committed to providing the resources and personnel necessary to continually improve our environmental stewardship. We will achieve this by communicating with Nucor employees, those doing work on behalf of Nucor and the public our “COTTON” Principle.**

<b>C – Compliance</b>	As dedicated environmental stewards, we will comply with environmental laws, regulations and other requirements while striving to go beyond compliance.
<b>O – Objectives</b>	We will monitor and measure our environmental performance through development and evaluation of Objectives and Targets.
<b>T – Technology</b>	New technological opportunities will be evaluated to minimize our environmental impacts
<b>T – Teamwork</b>	All levels of the organization will work together as a team to continually improve our environmental performance through the use of a documented Environmental Management System.
<b>O – Opportunities</b>	We will evaluate current and future processes to identify opportunities for the prevention of pollution and protection of the environment.
<b>N – Nucor</b>	NUCOR, It’s our Nature.

EMS Policy is located on the Nucor website and available to Interested Parties.

Policy applies to anything within the defined scope of Nucor Steel – Arkansas’ Environmental Management System.
