

COMBINED SMS-QMS-EMS POLICY FOR NSCT

At Nucor Steel Connecticut *we take care of our customers*. We are accomplishing this by being the *safest, highest quality, lowest cost, most productive*, and *most profitable* rod mill and mesh plant in the world. We are committed to doing this while being cultural and environmental stewards in our communities where we live and work.

We are succeeding by working together to *continually improve* our management systems and processes through *review, planning and implementation*.

Our **FOCUS** is to safely produce quality steel products that meet or exceed our customers' requirements. We do so while maintaining our commitment to *prevent injury & illness, prevent pollution, and comply with all applicable legal or other requirements*.
