

# NUCOR STEEL – PLATE MILL ENVIRONMENTAL POLICY

**B**e aware of our responsibilities as our entire team is committed to find ways to be excellent stewards of the environment.

**E**ncourage participation from our team, neighbors and the county / state to help us meet or exceed compliance requirements.

**A**ttack environmental impacts to eliminate or reduce them as a normal part of our business day.

**R**elentless pursuit of improved environmental performance.

*It's Our Nature.*<sup>®</sup>
